# UPPER PENINSULA CANDLE & GIFT COMPANY

**Upper Peninsula Candle Company** located in *Gitche Gumee Landing*. Come see us for highly-scented, long-burning candles in unique containers, votives and tea lights, all made here. Our candles come in over 40 wonderful fragrances in a variety of colors. Get **15%** off our featured fragrance in the store.

The gift shop includes wall hangings, vases and bowls made from Onyx and Marble as well as local souvenirs. There are also unique jewelry items made from Petoskey Stones, Agates, Greenstones and Copper. We carry a nice selection of Jody Coyote and Silver Fox Jewelry. We are adding new items all the time! We have a nice selection of children's t-shirts, books and gifts focusing on animals and all things of the "north".

Visit [www.upcandle.net](http://www.upcandle.net) for highly scented candles in ceramic containers, rock candles, scented votives and tea lights.

# Red Metal Minerals

Located in *Gitche Gumee Landing*, carries a large variety of copper, datolite and local specimens, as well as minerals from around the world. Included are many unusual gift items, such as, Onyx Chess Sets, Amethyst Cathedrals, Agate Slabs and Bookends of all sorts. We have some very spectacular mineral specimens for the serious collector and anyone who enjoys the beauty of what Mother Nature has created. We also have a variety of books written on the history and geology of copper mining in the Keweenaw Peninsula.

# CALEDONIA MINE

As seen on the Travel Channel's  
*Cash and Treasures.*

Come see the mine and collect  
copper and other mineral  
specimens. For details check our  
website:

[www.caledoniamine.com](http://www.caledoniamine.com)

or email:

[caledoniamine@charter.net](mailto:caledoniamine@charter.net) for  
collecting and tour dates.

Return this **COUPON** to:

**Gitche Gumee Landing**  
**202 Ontonagon St.**  
**Ontonagon, MI 49953**

For a free gift from:

**Upper Peninsula Candle Co.**  
of a Scented Votive

**Or**

**RED METAL MINERALS**

for a copper specimen collected from the

**CALEDONIA MINE.**

Visit the ongoing project of the Michigan  
DNR and Michigan Tech University:

## Reintroduction of Lake Sturgeon “Living Fossils”

Visit the hatchery of Lake Sturgeon yearly at  
Gitche Gumee Landing, May until September.  
See how they grow from newly hatched eggs  
to approximately 7” in length when released  
into the Ontonagon River.  
Free tours, register at the gift shop.

The following highways take you to  
Ontonagon: M-38, M-64 or US-45, turn on  
River Street. Follow River Street to the north  
end of town, turn left on Ontonagon Street;  
**Gitche Gumee Landing** is where Ontonagon  
Street ends at the Ontonagon River.
